Re laying underground sewer line between L H Nos 62 & 24 behind IX Main Road, Sri Ramouram, Bangalore City

I have the honour to state that the work of laying underground street sewers in Sreerampuram, Nagappa Block, was executed by the tendered Contractor Sri A R Doraswami Iyengar One length of about 85' between L H 62 and 24 behind premises No 1117 (a), 1117, 1118, 1118 (a) in 9th Main Road could-not be laid for want of acquisition Though the Municipality was reminded sevetal times, the land was not acquired and placed at the disposal of the Board for laying the sewer lines As the Contractor could not wait indefinitely and as he was urging for the final settlement of his bills in respect of works executed, his claims were settled after obtaining sanction of Government to the Revised estimate as per actuals for Rs 68,554/- (vide G O No I 17428-31/M1 75-47-44 dated 8-6-48)

The Municipal Commissioner in his letter No M1-C 1125/P R 60-146-47 dated 16-9-48 has subsequently intimated that the lands have been acquired and the laying of sewer lines in that area might be proceeded with Accordingly, the Engineer Officer attached to the Board prepared an estimate for Rs 360/- and submitted the same for approval This was placed before the Board at its meeting held on 16-11-48 and after considering the matter, the Board passed the following resolutions -

"Resolved that the Engineer Officer's proposal be approved and necessary further action taken and action already taken in entrusting the work after calling for quotations be also approved, the work being one of urgent nature "

Accordingly the Engineer Officer was instructed to submit the Revised estimate as per actuals based on the

quotation rates The Engineer Officer submitted the Revised estimate for Rs 409/- as per actuals

This was placed before the Board at its meeting held on 28-1-49 and the Board passed the following resolutions -

"That the estimate be approved and necessary further action taken"

I therefore request that sanction of Government may kindly be obtained for the enclosed estimate of P 409/- for the above work, the cost being met out of the General Savings of the Comprehensive Scheme of the Drainage works sanctioned in G O No I 3422-26/41 90-41-4 dated 1-11-41

Yours faithfully,

CHAIRMAN
